RE: Termination of agreement

Mr. Feeley,

Unfortunately, I have witnessed unethical behavior from within the Professional Timber Installers organization. Due to this, I cannot in good conscience see how we can fulfill our contractual obligations through the completion of the Red and Green barn as we have anticipated. I offer my sincerest apologies and I pray that you find a suitable replacement for the installation services we can no longer provide.

Respectfully,

A handwritten signature in blue ink, appearing to read "Ben Hunt", with a stylized flourish extending to the right.

Ben Hunt

Co-Owner
