

SAFER SCHOOLS FOR ONTARIO

Elect Kevin Kizzee for Mayor 2026

Community First. Integrity Always.

THE PROBLEM ON OUR STREETS

Every single day, our children face reckless drivers rushing through school zones. Our dedicated crossing guards are forced to endure abusive language and dangerous conditions just for doing their jobs. Meanwhile, local law enforcement is stretched thin, and expanding traffic patrols strains our city's hard-earned tax budget. We need a solution that protects our people and our wallets.

THE "OCPF" STRATEGY

Candidate Kevin Kizzee has developed the Ontario Civilian Patrol Force (OCPF) plan—a specialized subdivision of the Ontario Police Department (OPD) designed to end excessive speeding and traffic violations near our schools at virtually no cost to taxpayers.

O — Ontario Automated Safeguards

- **Enforce Safety Automatically:** Deploying state-of-the-art speed-monitoring tools in designated school zones during peak drop-off and pick-up hours.
- **Zero Tolerance:** Speeders face swift citations, sending a clear message: Not in our school zones.

C — Civilian Volunteer Force

- **Zero Taxpayer Cost:** This subdivision will be staffed on a volunteer basis by non-sworn retired peace officers, military service members, or current licensed security guards who reside right here in Ontario.
- **Patrol, Observe & Report:** Utilizing city-owned electric vehicles to provide visible deterrence and support to school zones without expanding municipal debt.

P — Protection & Respect for Crossing Guards

- **End the Abuse:** Upgrading school crosswalks with localized dash-cam systems and giving crossing guards the backing of municipal ordinances.
- **Zero Disrespect:** Drivers using abusive language or ignoring commands will be documented and fined severely.

F — Financially Self-Sustaining Budget

- **Smarter Allocation:** Routine speed monitoring is safely handled by OCPF, allowing sworn OPD officers to focus physical patrols on high-crime areas where they are needed most.
- **Violator-Funded Safety:** Fines collected from reckless drivers completely offset infrastructure costs and fund future local pedestrian safety improvements.

AN ANSWER FOR EVERY CONCERNED NEIGHBOR

Target Group	The OCPF Benefit
Parents & Families	Peace of Mind. Your children can walk, bike, and arrive at school safely.
Crossing Guards	Dignity & Security. A safe, respectful workplace backed by technology and local law enforcement support.
Law Enforcement	Strategic Deployment. Easing routine burdens so officers can target serious crime effectively.
Taxpayers	Fiscal Responsibility. A volunteer-driven, self-funding network that costs you nothing.
