Campaign Coverage: Candidate Statement Larry Thompson for Congress

Candidate Statement submitted by Larry Thompson.

To the voters of CA-32, which includes the communities of Bel-Air, Bell Canyon, Beverly Glen, Brentwood, Canoga Park, Chatsworth, Encino, Malibu, North Hills, Northridge, Pacific Palisades, Reseda, Sherman Oaks, Studio City, Tarzana, Topanga, West Hills, Winnetka, and Woodland Hills, do not vote for Brad Sherman.

“Sleeping-at-the-wheel Sherman” has been in office for 14 terms (28 years). What has he ever done for you? Do you even know who he is? Have you ever heard his name? What legislation has he originated in congress? Have you voted for him because of his political accomplishments? Does he truly represent your present-day concerns and values?

Are you happy with food prices in the San Fernando Valley? Do you feel safe with the recent rise of burglaries in Encino and even Bel-Air? Are you concerned in Tarzana about the cost of gas for your car to get you to work? Can you afford your housing? Are you worried about your medical costs? Does inflation scare you? Do you think open borders have improved your life? Would you like lower taxes? Would you like no taxes on tips, overtime income, or Social Security? Do you think Sherman has been tough enough on crime in the Valley? Do you think our education system in Canoga Park could be improved? Should you have stronger parental rights regarding your child’s schooling and life choices? Should our cities better repair the many potholes in our streets including Ventura Boulevard, Coldwater

Canyon, Laurel Canyon, Benedict Canyon, Beverly Glen, and Topanga Canyon Boulevard? Should safety be increased on Malibu’s Pacific Coast Highway?

Where has all the money gone that was supposed to be used to solve the homeless problems? Are you tired of Sherman’s ever-vacillating stance on Israel? Are you exhausted with the Democrats and Republicans arguing with each other? Have you been shocked to learn recently that Sherman has been misleading and lying to people for over 30 years that Sherman Oaks, California was named after him and his family? Should we have “term limits” on politicians?

There are more disturbing questions than comforting answers.

Are you finally open to change?
